<tr>
<td>The Stables Nursery School opened in March 2002. The nursery operates from a converted stable barn located in the rural area of Lower Whitley, on the outskirts of Warrington. Children are accommodated within four rooms, according to age. The nursery serves the local area. The nursery is registered to provide care for 53 children aged from one to five years. There are currently 70 children on roll. This includes seven funded three year olds and five funded four year olds. Children attend for a variety of sessions. Two children have special needs and the group supports two children who speak English as an additional language. The nursery opens five days a week all year round, except bank holidays. Sessions are from 8.00am until 6.00pm, Monday to Friday. Eight full-time and four part-time staff work with the children. Nine have early years qualifications. Three staff are currently on training programmes. The setting receives support from the Early Years Development and Childcare Partnership (EYDCP).</td>

<th>How good is the Day Care?</th>
</tr>
</thead>
<tbody>
<tr>
<td>The Stables Nursery School provides good quality care for children. The nursery provides a happy, welcoming and caring environment for children and parents. The premises are safe and secure and the children's rooms are bright and spacious. Operational procedures are effective and have a positive impact on children. Records and policies are well organised and most are accurate and well maintained. Staff qualifications are above minimum standards and further training is encouraged. Staff are responsive to children's individual needs. They value children as individuals and treat them with respect. Staff are vigilant about children's safety and most areas within the nursery are safe and free from hazards. Staff actively promote health and hygiene in the nursery and high standards are maintained. The children are happy, confident and well cared for. They enjoy their time at the nursery and take part in a range of stimulating activities, which help them to make good progress in all areas of learning. Good relationships are developed with parents and they are kept well informed about the provision and their children. Feedback from parents is very positive, particularly in relation to the staff, the variety of activities provided and the environment within which children are cared for.</td>

improved facilities for the children by providing more space and enabling the children to be accommodated in age related groups. A new, fully enclosed decking area has been created in the garden, which affords more opportunities for outdoor play in a safe and secure area.

What is being done well?
all staff are qualified, or working towards qualifications in early years. They work well together as a team and continue to develop their knowledge and skills through further training. (Standard 2) the staff have warm and trusting relationships with the children. They interact positively with them and offer lots of praise and encouragement. Children are settled and comfortable in their environment. (Standard 3) the staff have positive relationships with parents. They work in partnership with parents to ensure children's individual needs are met. (Standard 12)

What needs to be improved?
the procedures for completing the daily register for children and staff, so that an accurate record is maintained. (Standard 2) safety issues relating to the carpet and the stairs, to ensure that hazards to children are minimised. (Standard 6)
