Summary of key findings for parents

The provision meets requirements

- The manager and staff have a clear understanding of safeguarding and child protection and are able to explain the settings policies. This means that children are kept safe and protected from harm or abuse.
- There are systems for supervision in place which provide support, coaching and training for staff to enhance their skills.
- The out of school club works in partnership with the school and parents to plan for improvements.
- All documentation meets requirements and supports the smooth running of the setting.
- The indoor and outdoor play areas are safe and organised to meet the needs of children.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
