

Complaint about childcare provision

EY481421/C282188

Date: 11/05/2016

Summary of complaint

All children make good progress in their learning and development. They have many opportunities to play outside and develop their physical skills. For example, they enjoy pushing buggies up the garden slope and carrying buckets of water to pour over stones. Children enjoy learning to solve problems for themselves and are confident in their own abilities and skills. Children are prepared effectively for the next stage in their learning, and the move to school.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
