Previous inspection date	Not applicable

The quality and standards of the early years provision	This inspection:	Met
	Previous inspection:	Not applicable

Summary of key findings for parents

The provision meets requirements

- The childminder understands how to observe and assess children's learning, and plan for their next steps. She knows how to help prepare children for school. The childminder recognises the importance of working with parents to help support children's learning and care consistently.
- The childminder understands her responsibility to keep children safe. She has kept updated with current safeguarding matters and knows how to report any concerns about children's welfare.
- The childminder knows how to teach children about the behaviour expectations. She understands the importance of acting as a good role model for children, and how to help them negotiate and cooperate with others in their play.
- The childminder is aware of the importance of updating her professional knowledge, such as through further training, to help her improve outcomes for children.
- The childminder understands how to work together with her co-childminder and parents to evaluate practice and make improvements tailored to children's needs.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
