

Compliance action taken for childcare provision

EY337856/C329214

Date: 08/11/2017

Summary of outcome

On 16 October 2017 we received a notification from the setting telling us about an incident that had occurred that day, during which a child was not adequately supervised for a short period of time. The child came to no harm during this incident.

As a result of this information we liaised with the Local Authority Designated Officer for safeguarding, and the setting, to establish what had occurred.

While not part of the notification, we established through our enquiries that the person representing the charity responsible for the setting had not been checked by Ofsted.

On 30 October 2017 we carried out a visit to the setting to conclude our enquiries. As a result of our investigation we issued the provider with a notice of actions to improve that required them to;

Ensure children are adequately supervised at all times, this means that children must be within sight or hearing at all times.

Ensure that risk assessments are adhered to, with particular regard to transportation of children, and the correct procedure followed during school drop off and collection.

Ensure that the Nominated Individual, who forms part of the legal entity responsible for the running of the setting, is checked by Ofsted.

We are satisfied with the provider's response to the actions raised.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
