

Complaint about childcare provision

EY473067/C345551

Date: 30/05/2018

Summary of complaint

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework-2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 22 May 2018, we carried out an unannounced visit to the provider. We reviewed documentation and held discussions with the nominated person. We found that the provider has taken appropriate action to meet the requirements and remains registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information on how we deal with complaints about providers, please view the *Early years compliance handbook* which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted
