

## **Complaint about childcare provision**

EY453650/C349574

**Date:** 03/07/2018

### **Summary of complaint**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 June 2018 we received concerns that this provider was not meeting some of these requirements. We visited the provider to discuss the concerns and have issued a Notice to Improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.'

Action required

Ensure the mobile phone policy is implemented by all staff working directly with the children. 12/07/2018

The provider took appropriate measures to meet the actions.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
