

## **Compliance action taken for childcare provision**

Ref: EY286771/C353463

Date: 21 August 2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework-2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework-2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 August 2018 Ofsted visited the setting following a notification from the provider. It was found that the provider was not meeting a number of the requirements. We issued welfare requirements notices. This is a legal notice that requires the provider to take the actions below within the timescales set out:-

ensure the premises are fit for purpose and suitable for children attending; this is with particular regard to the cleanliness and maintenance of the premises and resources in the garden.

ensure there are appropriate arrangements in place for the supervision of staff that provides support and coaching and provides opportunities for staff to discuss any issues

ensure the written record of accidents or incidents is precisely recorded with sufficient detail

ensure a daily record of the names of the children being cared for on the premises, their hours of attendance and the names of each child's key person is accurately maintained

This welfare requirements notice will be monitored.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
