

## **Compliance action taken for childcare provision**

Ref: EY336168/4001884

Date: 30 September 2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 21 August 2018, the provider notified us of a relevant matter.

The notification means that the provider has met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted. We carried out a visit and have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below by 5 September 2018.

ensure the designated lead for safeguarding has the knowledge and skills to provide support, advice and guidance to staff to keep children safe,

ensure staff implement the safeguarding policy which is in line with the guidance and procedures of the Local Safeguarding Children Board,

ensure staff have regard to the government's statutory guidance 'Working Together to Safeguard Children 2018'; in particular staff should be proactive in sharing information as early as possible to help identify, assess and respond to risks or concerns about the safety and welfare of children.

The provider will be able to give parents further information about this.

We are satisfied with the action taken by the provider, and they remain registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
