Dear Mr Granger

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and students during my visit on 06 February 2008 as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. This report, which will be produced in the summer of 2008, will highlight good practice and identify improvements to be made. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

The school demonstrates its commitment to the development of the 14-19 curriculum through:

- very high retention rates of students into the sixth form
- high levels of personal development
- very high levels of course completion
- very high numbers of learners progressing to university.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Carolyn Carnaghan
Additional Inspector
